Abstract: Natural sources (plant and animal) used as folk medicines in Artvin were investigated in this study. Local names, part(s) used, methods of preparation and traditional usages of folk medicines are given in this paper. Traditional herbal medicines were mostly used for gastrointestinal system diseases, heart and circulatory system disorders.

Keywords: Folk medicine, Artvin, Turkey

Artvin İlindeki Bazı Önemli Halk İlaçları

Özet: Artvin ilinde halk ilacı olarak kullanılan doğal kaynaklar (bitkisel ve hayvansal) araştırılmıştır. Bu makalede, kullanılan halk ilaçlarının yöresel adları, tedavide kullanılan kısımları, hazırlanış şekli, geleneksel kullanımı ile ilgili bilgiler verilmiştir. Bitkisel halk ilaçları, en çok sindirim sistemi hastalıkları ile kalp ve dolaşım sistemi bozukluklarına karşı kullanıldığı saptanmıştır.

Anahtar Kelimeler: Halk ilacı, Artvin, Türkiye
